

AAHCC Re-Affiliation Procedure

Any former member is welcome and encouraged to apply for Re-Affiliation at any time. Life goes in many directions and we always look forward to teachers returning to us. We all need a break from time to time.

Your file must be reviewed before it can be re-activated. Once approved, you will receive an email response with confirmation that you can log onto www.AAHCC.com and complete the online renewal process.

As you are aware, AAHCC teachers may only teach our classes and may not teach any other childbirth method. Make sure that you are not associated with any other childbirth group before applying for Re-Affiliation. Confirm that you are not listed as an educator on any other sites for other childbirth groups.

Once you have completed the online portion of the Renewal process you are required to purchase a minimum of 5 Student Workbooks. As per our standard policy, in order to remain active and listed on The Bradley Method® Directory, you must purchase current Student Workbooks routinely to indicate that you are currently teaching.

Step 1. Send email asking to be Re-Affiliated... wait for email response and access to AAHCC.com

Step 2. Complete the online Renewal process which requires you to read and sign the AAHCC Statement of Policy and pay Renewal.

Step 3. Purchase a minimum of 5 Current Student Workbooks.

Thank You and Welcome Back... We Missed You!!!
